Mornig- most of what Frier has asked for in the recent update is not anything I have access to, such as the payment information. Is this something you need me to coordinate or have you already touched base with accounting. I am still working on sorting original T3 stuff

I called and spoke with someone who said they do not typically send out licenses to those requesting it unless of course it was our own license. SHe suggested I send an email, which I did. I have not heard back from the email

Looks like Boulevard, Gentek and Synergy/Mr. Unlimited. I will have to manually look at Synergy since they do not come up on the lot tracing report, but there is 7 pages of sales coming up from the G-NDC umbrella and sales as recent as last

week
